

Thank you for your interest in a Junior SDET role at Veeam Software!

We would like to invite you to the next hiring step.

In order to explore your qualifications and experience further, we are inviting you to take our technical assessment.

Your task is to write UI end-to-end test to verify described below scenario.

The tests need to be written in JavaScript/TypeScript using the Playwright framework.

Creating a test plan will be an advantage.

Please use the following scenario:

- Visit page <https://www.veeam.com/>
- Find link to Forum (Support -> R&D Forums)
- Follow the link
- Try to Register with options:
 - Name: InterviewUser
 - Password: InreviewUser
 - Email: inreviewuser@gmail.com
- As a result, you will see an error message that you can't use public domains.
- Check the result.

Feel free to reach out in case you have any questions.

Good luck!

Best Regards,

Veeam Hiring Team
